

ANCILLARY MEETING

SOCIETY OF TOXICOLOGY ANNUAL MEETING 2018

Updates From Multi-Stakeholder Collaborations to Advance Non-Animal Approaches to Respiratory Toxicology

This open stakeholder session will feature presentations highlighting ongoing work to advance mechanistically based, non-animal approaches to respiratory toxicology. There will be ample time for networking and discussion of the next steps needed to facilitate the implementation of these approaches.

Speakers

Dr. Warren Casey, Director
NTP Interagency Center for the Evaluation of Alternative Toxicological Methods
*Advancing New Approach Methodologies in the U.S.:
Implementation Through Cooperation*

Dr. Amy Clippinger, Director
PETA International Science Consortium Ltd.
*Implementing Alternative Approaches to Acute Inhalation Toxicity Testing:
Recent Success and Remaining Hurdles*

Dr. Holger Behrsing, Principal Scientist
Institute for In Vitro Sciences
*Establishing the Basics to Understand the Complex:
Inter-Lab Efforts and Assay Optimization for Tobacco Product Testing*

Monday, March 12, 5–6:30 p.m.

**Grand Hyatt San Antonio
600 E. Market St.
San Antonio, Texas
